The Department of English Applied Linguistics of Eötvös Loránd University invites all who are interested to the on-line closing event of the Erasmus+ project entitled “Language Skills of Deaf Students for European Mobility” carried out in collaboration with Czech, Austrian, and British participants. The program includes the introduction of the project and the presentation of the research findings of the Hungarian team. This will be followed by the experience reports of Deaf participants about their process of learning English and the project outputs they participated in. The event is going to conclude with a question and answer session. Venue: MSTeams, register at wein.kata@btk.elte.hu. Sign language interpretation will be provided. All are welcome!

Fri 9 Oct, 17:00–18:30
