- [Equal Chances in Language Learning Research Group](#)
- ++ Budapest Phonology Circle (BuPhoC) | The Budapest Phonology Circle & Linguistics Discussion Group (BuPhoC) was launched in 1990 as a forum for phonologists and other linguists. In the 2010's it faded into the research seminars of the English linguistics doctoral programme. Its successor is the Budapest Research Centre for Linguistic Theory. More at <http://seas3.elte.hu/delg/events/buphoc.html> ++
- ++ Budapest Research Centre for Linguistic Theory (BRaCeLeT) | The Budapest Research Centre for Linguistic Theory (BRaCeLeT) (or, in Hungarian, Nyelvelméleti Kutatóközpont (NYEKK)) was launched in 2015 as a platform for all theoretical linguists at Eötvös Loránd University. It hosts talks, minicourses, and conferences. Website: <http://seas3.elte.hu/nyekk> ++
